

# “Top Shot” – September 2021

## Board of Management News

Due to Covid Restrictions, the Board August meeting was held electronically. It is hoped that some of the restrictions may be lifted to at least be able to “have a practice roll”. The Business Planning session is scheduled for a Thursday following weekend pennant practice. All members interested in the direction of the club for the coming five years are invited to attend and/or participate in a club survey. Here are some of the issues up for determination in the next five years:

- Regional Premier League – do we aim for this level?
- Club Coach – do we need/want one?
- Recruitment and retention – How do we do it?
- Building of a BBQ deck – Is it a priority?
- Lighting for Turner Green – Is this a priority?

### Club Booklet

The collator is appreciative of all members who have updated their contact number in BowlsLink as this will assist in making the booklets available hopefully by early October.

**Regulations** continue to be reviewed and updated. Match Committee and Club Championships have been updated and are available at the clubrooms and are posted to the club website.

**0481 486 221** is the new mobile number for the club. Members may phone and/or leave voice or send text messages as the phone will be monitored by Board members on a regular basis.

## Season Opener

The club has scheduled the Season Opening day for Sunday 26<sup>th</sup> September. ## Vale: Past Members - Dot & Evan

### "Dot" Fenley (Died 7<sup>th</sup> August 2021) Aged 93

Ladies Section Secretary 1990 and 1991.  
Club Singles Champion 1988 and 1998.  
Club Pairs Champion 2004 and 2006.  
Member Division 1 Pennant premierships teams 1988 and 1998.  
Winner Association Triples 1988.  
Winner Association Fours and Jubilee Fours 1992.

### Evan Field (Died 20<sup>th</sup> August 2021) Aged 87

Men's Section Treasurer 2006-2009  
Evan commenced his bowling career at White Hills later in life, playing Pennant, Social and Night Pennant. Traditionally he missed the first two rounds of each Night Pennant season due to him accompanying his fellow Ulysses Bokie Club members on their annual jaunt in the Tasmanian wilderness.  
Evan would have been the first to admit that he wasn't the greatest bowler to grace our greens. However, he was blessed with a jovial sense of humour which he employed often as he tried to conquer the many challenges he found with a bowl in his hand on our bowling greens.

## Covid Restrictions as at 09/09/2021

Thankfully we are in a regional area and can appreciate the reprieve from the tough restrictions. However, we must remain vigilant and take as much care as possible. Current restrictions for community sport allow minimum number of members for training, however spectators are prohibited except one parent is permitted to supervise children.

*Masks MUST BE WORN and should only be lowered to enable a player to play their shot, communicate game play (tactics or instructions) to momentarily regain composure if a player is short of breath or any other valid safety reason.*

QR codes remain mandatory (or sign in)  
Remember not to touch bowls, apart from your own, no handshakes, high fives etc. The full particulars are displayed at the clubrooms.

## News from BPL Cup

Sadly, our BPL Cup section winners Des Feidler, Steve Arbuckle and Jim Brennan, did not get the opportunity to progress in the BPL Cup, as the Regional Finals have been indefinitely postponed due to Covid restrictions. We keep our fingers crossed that they will get the opportunity at a later date.
