Club Coaching at White Hills

Currently, the club has two accredited coaches, Michael Bree and June Maloney, together with other members who share their expertise with members which is greatly appreciated. The Board is encouraging other members to gain their accreditation to assist in the future development of not only juniors, but also new adult players.

As you, the members, have expressed a desire to not only achieve but also maintain club teams in both Midweek and Weekend Pennant Division 1, members are also being encouraged to discuss the idea of an appointed **Senior club coach**.

Is this the direction to which all members aspire? What are your thoughts? What are your ideas? Start an open conversation with your fellow pennant players. Share your feedback to the Board members.
